

Thank you for your interest in our lab

If you are using an iTero, the lab ID# is 132221. For all other IOS, simply go to "add laboratory" from the menu option of your scanner and input the following email for us to receive your cases, lab@6x6implantcenter.com

To ensure we provide you with the highest-quality service, we kindly ask that you include all of the following when submitting a case:

Case Submission Requirements

For Surgical Guide & Planning, PMMA Healing Abutments, and PMMA Implant Crowns:

- Completed RX form
- Implant system name
- X-ray of site
- Photo of your surgical kit
- CBCT in DICOM format (WeTransfer link is preferred)
- Intraoral scans of upper and lower arches

For Monolithic & Hybrid Crowns:

- Completed lab script (attached)
- X-ray of fully seated scan post
- Full intraoral scans (upper & lower arches)
- Proper bite alignment
- Complete implant details

Turnaround Time: 10 business days **(RUSH IS AVAILABLE)**

Note: Large or complex cases may require additional time.

Additional Information Needed

- Name of clinic
 - Clinic address
 - Shipping address
 - Phone number
 - Credit Card Authorization Form (attached – required for billing)
-

Special Offer:

Your **first Monolithic crown** is only **\$500!**

Once your case is ready to ship, we'll notify you by email before charging your card on file.

If you have any questions or need help with anything, please don't hesitate to reach out. We're excited to work with you!
